## **COVID-19 At-Home Test Kits are Covered at No Cost to MaineCare Members**

April 24, 2024

MaineCare now covers COVID-19 at-home tests and home collection kits. These are covered at no cost to MaineCare members.

When you go to the pharmacy to get an at-home test or kit, please give the person at the pharmacy counter your MaineCare card. MaineCare will not cover these tests when purchased at the main store register. Please make sure the pharmacy takes MaineCare so we can cover the test or kit.

To see which test or home collection kits are covered by MaineCare, please talk to your pharmacist or call the MaineCare Pharmacy Help Desk with questions at: 1-866-796-2463.
