

Visual Gestural Communication

Do you work with clients or have a loved one who experiences communication barriers?

Come join our **three-hour Visual Gestural Communication workshop!** Visual Gestural Communication (VGC) is a mode of communication based on signs, gestures and body language – opening doors to communication for people of all abilities.

Perfect for:

- DHHS staff
- Case Managers
- Program Managers
- Direct Support Staff
- Family Members
- Interpreters
- Consumers
- Community Members
